## Superintendent's Highlights

The District has continued to expand its technology programs and is making great progress in that area.

Academics and student achievement continue to be our top priority with students achieving high marks in all test areas.

The District was represented at state competition with the girl's volleyball team and the boy's basketball team. We continue to be proud of having a great school system and continually strive to become better.

## Progress Towards Meeting District Goals

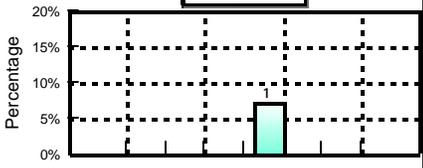

1999-00 Goals	Progress
Integrate technology into the curriculum	Thanks to the Albertson Foundation we have added multiple computers and other technology equipment at both the elementary and secondary levels.
Technology training for teacher.	Teachers at all levels are receiving technology training and are becoming very proficient.
Expand Distance Learning program.	Through Idaho State University and a consortium of schools we have expanded Distance Learning classes and provide after school classes for students and adults.
